Set up for next day

Teachers and student teachers may introduce planned activities indoors or outdoors. Diaper changing and toileting is an on-going process and is done as needed throughout the day. Checks will be done every hour. Diapering checks and changes are recorded daily on a diapering chart in the changing room.

*This schedule is flexible and is used as a guideline for the day's activities. Our primary goals are to meet the individual needs of the children. The infants' schedule will be determined by the child's individual needs.
